President's Report

Remember that the John Dodd's will be held this Saturday. All details on the board at the club.

Sponsorship has been sort for rescue tubes. Thanks to Brian Consulting and Tobin Office Supplies for their positive response to our request.

We have two IRB motors that are in a far from healthy state and we are seeking sponsorship to replace them. Should you have any contacts or be able to assist please give me a call. 55561005.

Raffle Books to be returned to Robert Dart as soon as possible. Have you purchased a ticket or are you able to sell a book of 10 tickets? All money from ticket sales are credited to Warrnambool Surf Life Saving Club. If each member could just sell one book, we might be able to get that new IRB motor quicker!!!!

- All has been completed with the sub lease and we are waiting for the DSE to sign off—this is a formality—call in to Simon's Waterfront and see the refurbished room and enjoy a coffee and maybe something yummy to eat.
- Work has commenced on the patrol tower and our builder, Michael Gray is optimistic to have it completed before Christmas.
- Remember that all members are to obtain a Working With Children's Check. Forms are available through the club administration and the Post Office. A passport photo must accompany your application—David Kodak from Kodak Express, cnr. Liebig and Koroit Street will complete this task on behalf of the club at a reduced rate. You may book up your costs to the club.
- Rebel has prepared Patrol rosters and is enclosed with this newsletter for patrolling members. If you do not receive one please contact Rebel.
- Thankyou to Robert Dart and his group of helpers who sold tickets at the Warrnambool Show on behalf of the club. This provided an excellent opportunity for advertising lifesaving.
- The Board of Management have made a decision not to have any more 18th or 21st birthdays in the hall at this stage. We have had a number of problems with the last couple of parties.
- Parking, please adhere to signage, as WCC parking officers will be patrolling the area. The area allocated to WSLSC is for patrol members only.
- No membership on line facilities. Sorry but WSLSC opted not to have membership on line as there is a fee involved.
- IRB for sale—\$1,000 or nearest offer.

Needed members to help with a BBQ on Friday 4th December at the new Tshop in Target Arcade. Everything supplies, just cookers and servers required. Phone Anne 5562 1867 if you can help. Last year Telstra donated \$1440.00

Well Done -from the Board & Ski Captain

Congratulations to Chloe Jones who completes at the Victorian Lifesaving Pool Championships with some very pleasing results. Chloe has now been chosen to be a member of the Victorian State Pool Team. Congratulations Chloe and we wish you all the very best.

Three Warrnambool Surf Life Saving Club members took on the long ride down the highway to compete in the Melbourne to Warrnambool Bike Race. Mark Owen, Travis Greening and Rohan Creed all not only started the race but finished the long ride with some very good times. Life Member, Neville Brodie assisted Mark with some of his training.

A reminder that for those wishing to complete this season there is the opportunity of paying a one up competition fee of \$100, which will cover all carnivals, trailer to transport your equipment and the Vic Championships. Members who choose not to pay this fee will be charge a fee for their equipment on the club trailer.

Remember 4 weeks until the first carnival.

Great to see ski paddlers back on the Bay. We now have a number of new paddlers and they are learning lots from some of the 'older' more experienced paddlers!!!

Anaconda—a number of members will once again take on this endurance race in Lorne on Sunday 6th December. Members Toby Pettigrew, Rohan Creed, Travis Greening, Stephen Kerr and Philip Kerr, will take on the 46km race.

Training & Assessment News

Each year WSLSC hold several training courses. In order to plan the courses that will be available to members we are seeking expressions of interest in the following courses. Courses will only be run if there is sufficient interest. Should you be interested in any of the courses please contact Fiona Crossley on 0437 619 314 or email -
